GRAND COUNCIL of ROYAL AND SELECT MASTER MASONS OF PENNSYLVANIA

August 5, 2026

Brethren, Companions, Illustrious Companions, Sir Knights, and Prophets,

I am pleased to announce the 2027 Pittsburgh Polar Plunge hosted by the Special Olympics Pennsylvania, Three Rivers Division, at Acrisure Stadium on Saturday, February 27, 2027.

This fund raising campaign is crucial to the success of the Special Olympics program here in the Three Rivers Division. Every single dollar raised goes directly to the cost of providing both summer and winter sports opportunities to our athletes at no cost to their families. The Illustrious Companions of District 1 invite you, your friends and families to join our team and take the Plunge to support the Special Olympics.

If you are unable to take the plunge, consider attending the event in support of the team, as it is a wonderful morning if you have never attended. Additionally, I would ask you to consider making a donation to the Special Olympics in support of our team.

If your organization would like me to make an official visit, speak on the Special Olympics Pennsylvania and receive a donation from your organization, I would be happy to coordinate that with your presiding officer / secretary. I can be reached at my email address below.

Checks are payable to ***Special Olympics Pennsylvania,*** in the memo line ***Team 841545***.

Donations can be mailed to the following address:
